Reflection

Issue 32

Knowledge grows when it is shared with others

June – December 2025

2025–26

HEAD OF DEPARTMENT'S MESSAGE

From the Desk of the Head of Department

Dr. (Mrs.) N. F. Shaikh

Head of Department, Computer Engineering

Message from the Head of the Department

It gives me great pleasure to present Reflection, the newsletter of the Department of Computer Engineering for the first semester of Academic Year 2025–26. This issue captures the collective academic, research and co-curricular efforts of our students and faculty.

Throughout the semester, the department demonstrated a strong commitment to academic excellence, outcome-based education and experiential learning. Students actively participated in project-based learning, technical events, internships, research activities and professional development initiatives.

Faculty members contributed through innovative teaching practices, scholarly work and academic mentoring, strengthening the department's learning environment. The achievements documented in this newsletter reflect the perseverance, adaptability and collaborative spirit of our department.

I congratulate the editorial team for compiling this reflection of our journey and thank all stakeholders for their continued support.

Dr. (Mrs.) N. F. Shaikh Head of Department

PRINCIPAL'S MESSAGE

From the Desk of the Principal

Industrial Visit to Persistent Systems, Pune

12 March 2026 Persistent Systems Ltd., Pune

TE and BE students visited Persistent Systems to gain hands-on exposure to agile software development practices, DevOps pipelines, and cloud infrastructure management.

Engineering a Life in Harmony

22 August 2025 college

The department organized a one-day Universal Human Values and Professional Ethics workshop titled “Engineering a Life in Harmony.” The session focused on moral values, ethical behaviour, self-awareness and social harmony. Students explored the importance of balancing personal growth with professional responsibilities.
